I. Household Size

Household size is composed of all individuals who will be occupying the home. If two people are a "couple" regardless of marital status, then both people must be included on the application. A couple in the process of a divorce or separation must submit proof of filing in order to apply separately. Co-signers are allowed, provided they do not appear on the warranty deed.

Persons not counted as family members for the purpose of determining income include:

- A child who is subject to a shared-custody agreement in which the child resides with the household for *less* than 50 percent of the time;
- Unborn children; and
- Children being pursued for legal custody or adoption who are not currently living with the household.

II. Income

The Mueller Affordable Homes Program has adopted Income & Asset Guidelines, in order to assist buyers who could not otherwise afford to purchase a home. Income Eligibility Certification is contingent on the City of Austin's SMART Housing approval. Buyers must meet both the Mueller Affordable Homes Program Income & Asset requirements and the City of Austin's SMART Housing Income requirements, in order to purchase a Mueller Affordable Home. **Income Eligibility Certification is valid for six months, or until a contract is entered into for a home on which the buyer closes, whichever is earlier. Income Eligibility Certification does not guarantee that an applicant will qualify for a home mortgage. Other restrictions may apply.**
