The Children's Place

To celebrate its April 15, 2010 grand opening, The Children's Place hosted a ribbon cutting ceremony and gave shoppers in-store giveaways, discounts and coupons. The Children's Place offers Big fashion at Little prices[®], and is excited to join the Mueller family of stores in such a sustainable, central location in Austin. This store is the 77th in Texas with a new store design that makes it easier to shop by size and category.

Dental Smiles

Dental Smiles is a full-service family and cosmetic dental practice moving to Mueller's retail center this summer. Dr. Divya Shetty and her team of experienced professionals offer state-of-the-art technology, including digital X-rays. Early morning and lunchtime appointments will be available for general dentistry, tooth-colored fillings, crowns, implants, bridges, oral sedation, tooth whitening and hygiene services. Dr. Shetty has been practicing for 10 years after receiving her Doctor of Dental Medicines from Goldman School of Dental Medicine, Boston University. Dr. Shetty volunteers her time at the Manos de Christo Dental Clinic.

“It was an easy decision to come to Mueller,” said Dr. Shetty. “Our mission is to create lasting relationships with our patients and we feel the Mueller concept of an urban village promotes just that.”

Whole Family Chiropractic

Owned and operated by Dr. Michelle Paris, who graduated top of her class with a Doctor of Chiropractic degree from Life Chiropractic College West, Whole Family Chiropractors exists to serve a diverse central Austin patient mix in attaining their individual health, wellness and fitness goals. Located on the ground floor of the Mosaic at Mueller apartments at Aldrich Street and Mueller Boulevard near Airport Boulevard and Mueller's Lake Park, Whole Family Chiropractors provides a variety of chiropractic services, as well as massage and physical therapy in a state-of-the art green facility that includes a paperless office and digital x-ray.

“Being located in such an active and growing community like Mueller is great for us because it allows us to be centrally located in Austin to attract families from all over the area who are looking for acute, restorative or wellness care,” said Dr. Paris. “And, living in the area helps me get to know many of my patients better to provide an even higher quality of care while doing my part to support Mueller's green living principles.”

The Tax Box

Also now open on the first floor of Mosaic at Mueller is The Tax Box, a family-owned retail income tax preparation and bookkeeping firm that specializes in expedited refunds, refund anticipation loans, audit assistance, personal and business bookkeeping, mortgages and notary public services.
